Hi Blake- sending two emails. Below is info how the OSC website to access data as its available. I'll send you the raw data that hasn't been posted yet. Starting today well release data tables at same time as trend graphs.

I know our EOCs are coordinating.

Let's definitely chat Monday. My cell is 303-903-8515 if you need anything.  
Thanks!

Hello Everyone,

Dissolved metals information is posted on the website – [www.epaossc.org/goldkingmine](http://www.epaossc.org/goldkingmine). Click on documents (either at the top of the website or right side of page); it's titled "data report." Thanks, Gina
